COFFEE CONCERT

featuring

East Dunbartonshire Young Musicians Finalists

and

McOpera (musicians from the Orchestra of Scottish Opera)

Music by Mozart, Schumann, Purcell, Britten, Shostakovich

Selected by audition, seven young musicians from local schools have participated in a unique project over the winter months, learning about the music profession, attending Milngavie Music Club concerts, meeting visiting artists and taking part in workshops designed to introduce them to the work of musicians in the community. Led by professional musicians from McOpera, the workshops have been followed by intensive rehearsals for this concert, in which the young musicians play a rich and varied programme of great chamber music alongside the McOpera players
